To Whom It May Concern,

Our company has enjoyed a great partnership with the team at I-Kota Construction. We have worked on several projects together and in every instance we have found them to be professional, hard-working and incredibly fair to work with. We strive to develop true partnerships with all of our customers but our partnership with I-Kota is second to none. In fact, we recently moved into a new building and I contracted I-Kota to handle all of our tenant improvement construction needs. Needless to say, they did a fantastic job. I would highly recommend them to anyone looking for a reputable contractor.

If you would like additional details please feel free to contact me directly.
