Dear Riley,

Thank you so much for your sponsorship of **25 Years: Imagine! Gala** for our **Celebrating**. Your sponsorship will support programming that helps the most vulnerable among us to stabilize their lives, find community, and connect with nature.

This year EarthLinks celebrates 25 years of supporting individuals with the experience of extreme poverty and homelessness. Although the COVID-19 pandemic had serious impacts on our programming throughout 2020 and 2021, we continued to support participants for the duration with food, assistance with rent payments and motel rooms, art supplies, and continued payment of Workshop stipends while we could not gather in person. Additionally, for 6 months during the pandemic EarthLinks managed a Safe Outdoor Space where unhoused individuals were able to shelter in a managed and resource-rich tent encampment.

We are so grateful for the support we have received for the past 25 years. As we look towards the future we see the continued need to support folks on the margins, so we are investing in redeveloping our property to create permanent supportive housing for low-income residents. We truly appreciate your support in continuing to create a place where those experiencing homelessness can find help, comfort, fulfillment, and community.

Sincerely,

Kathleen M. Cronan

*Thank you so much for the donation
and all the kindness of your
workers. They did a very
nice job for us. Looking forward
to our future connections*
